

Institute of Advanced Energy
JURC for Zero-Emission Energy Research

FY 2021 Joint Usage/Research Application Form(example)

Choose from A, B, C and D.
If you chose A, please also select
from 1-A, 1-B, 2-A and 2-B.

Key Person Confirmation (Be sure to have the Key Person check it.)		<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		Theme	Reference number			
Categories	<input checked="" type="checkbox"/> (A) Planned Joint Research				<input type="checkbox"/> (B) Proposal-based	<input type="checkbox"/> (C) Joint Usage of Facilities	<input type="checkbox"/> (D) Research Meetings	
	<input checked="" type="checkbox"/> 1 - A	<input type="checkbox"/> 1 - B	<input type="checkbox"/> 2 - A	<input type="checkbox"/> 2 - B				
Research Ethics Education(1)	<input checked="" type="checkbox"/> Complete	<input type="checkbox"/> To be taken	Applicants may be required to submit the certificate of course completion.(1)					
Name of Principle Researcher	Aaaaa BBBBBB				Date of birth	February 18th, 1980	Age	40
Affiliation of Principle Researcher	Country		University of aaaaa bbbbbb				Position	
	USA						Professor	
Contact Information of Principle Researcher	ZIP code	12345		Address	Aaaaaa Bbbbbb Ccccc,USA			
	Phone	(11)11111		E-mail address	aaaaa@bbbb.ac.jp			
	FAX	(11)22222						
Key Person in IAE	Taro KYODAI		E-mail address	ccccc@iae.kyoto-u.ac.jp				
Title of Research Project (Japanese)	/						Closest field (Research theme)	
Title of Research Project (English)	Title of Research Project within 3 words						Solar	
Key words (Japanese)	/			Key words (English)	aaa, bbb, ccc within 3		Major field	Major field
RI/Radiation Works	<input type="checkbox"/> None	<input type="checkbox"/> With unsealed-RI sources	<input type="checkbox"/> DuET	<input checked="" type="checkbox"/> KU-FEL	IEC (Small Neutron Sources)		<input type="checkbox"/> With X-rays	
New/Carrying-Over Application (2)	FY2016	FY2017	FY2018	FY2019	FY2020	FY2021		
	N/A	New	Carrying-Over	N/A	New	Carrying-Over		
Ref. No. of the previous year (3)	ZE2020A-01		Title of Research Project in the previous year	Title of Research Project				
Expected Research-Related Expenses (Write details in the bottom column)								
Expenses for research equipments and expendables	110,000 JPY		Travel expenses	150,000 JPY		Total	260,000 JPY	
Details of Expenses								
Purchase expenses	List of items	Amount (JPY)						
	KU-FEL, etc.	¥110,000						
	Total amount	¥110,000						
Purchase expenses		¥110,000						
Travel expenses	List of items	Amount (JPY)						
	to Uji-Kyoto ..	¥150,000						
	Total amount	¥150,000						
Travel expenses		¥150,000						

Purpose and Expected Results/Impacts, Necessity of Works in JURC for ZE Research
Aaaaaaaaaaaaaaaaaa bbbbbbbbbbbbbbbb cccccccccc,ddddddd
Details of Research Plan and Relationship with the Expected Research-Related Expenses (Please also enter Names of Equipments, Expected Schedule, Necessary Occupation Time, etc.)
Aaaaaaaaaaaaaaaaaa bbbbbbbbbbbbbbbb cccccccccc,ddddddd
Other Information for Screening: Achievements in Previous JURC for ZE Research Program. Expected Project Span in Case of Multiyear Packaged Collaborative Research, etc.
*Reason for Application Outside the Normal Period (In case of "17. Application after application deadline", please enter the reason.)
Paper Publications: Please fill in the result of ZE Research. Please underline the name of Key Person in IAE. (For New Application, you can fill in the result other than ZE research.)
Author name, Journal/book title, Vol, Issue, Pages
Conference Presentations: Please fill in the result of ZE Research. Please underline the name of Key Person in IAE. (For New Application, you can fill in the result other than ZE research.)
Author name, Journal/book title, Vol., Issue, Pages

Author name, Journal/book title,
Vol., Issue, Pages

Research Organization (Principle Researcher and Collaborators)
*Write names of all members including those in IAE.

Full name	Family name (English)	First name (English)	Affiliation• Department	Position	Major field	E-mail address	Gender
Aaaaa BBBBBB	BBBBBB	Aaaaa	University of aaaaa bbbbbb	Professo r		aaaaa@bbb.ac.jp	Female
Taro KYODAI	KYOTO	Taro	IAE, Kyoto University	Professo r	Key Person in IAE	cccc@iae.kyoto- u.ac.jp	Male
Total	2	Persons					
The date of receipt							

(1)Application Qualifications: As a general rule, the applicants are required to have already taken the course of research ethics education offered by either his/her affiliated institution or public agencies.

(2)Please choose division "New/Carrying-Over" in a pull-down menu.

(3)Please fill in the "Ref. No. of the previous year" and "Title of Research Project".

Please submit the application electronically during the application period.

Title of the email should be "ZE Research Application(Principle Researcher)"

Application submittals: The Joint Usage/Research Center for Zero Emission Energy
Research Institute of Advanced Energy, Kyoto University

e-mail: ze_shinsei2021@iae.kyoto-u.ac.jp (CC: Key Person in IAE)
