Expected Research-Related Expenses (Write details in the bottom column)

Expenses for research equipments and expendables	110,000	JPY	Travel expenses	150,000	JPY	Total	260,000	JPY
--	---------	-----	-----------------	---------	-----	-------	---------	-----

Details of Expenses

Purchase expenses	List of items	Amount (JPY)
	KU-FEL, etc.	¥110,000
	Total amount	¥110,000

Travel expenses	List of items	Amount (JPY)
	to Uji-Kyoto ..	¥150,000
	Total amount	¥150,000

Purchase expenses ¥110,000

Travel expenses ¥150,000

Purpose and Expected Results/Impacts, Necessity of Works in JURC for ZE Research

AAAAAAAAAAAAAAAA bbbbbbbbbbbbbbbb cccccccccc,ddddddd

Details of Research Plan and Relationship with the Expected Research-Related Expenses
(Please also enter Names of Equipments, Expected Schedule, Necessary Occupation Time, etc.)

AAAAAAAAAAAAAAAA bbbbbbbbbbbbbbbb cccccccccc,ddddddd

Others

Research results, etc. so far at this institute. If your research project has been adopted by our insitute in the past, please also enter the results of the research period.

*Reason for Application Outside the Normal Period
(In case of "17. Application after application deadline", please enter the reason.)

Paper publications: Only papers co-authored by IAE researchers or papers with acknowledgment to Joint Usage/Research Center for Zero Emission Energy can be included. Please underline the names of the researchers at IAE including the Key Person. If the researchers at the Insitute are not co-authored, please enter the DOI (we will check the acknowledgements)
(Papers other than those from the Center's activities may be included only if they have not been accepted before.)

Author name, Journal/book title, Vol, Issue, Pages

Conference Presentations: Please fill in the result of ZE Research. Please underline the name of Key Person in IAE.
(Only if you have not been accepted before, conference presentations outside of the activities of the center can be listed.)

Research Organization (Principle Researcher and Collaborators)
 *Write names of all members including those in IAE.

Full name	Family name (English)	First name (English)	Affiliation・ Department	Position	Major field	E-mail address	Gender
Aaaaa pppppp Your Key Person of IAE	pppppp PPBBBB	Aaaaa	University of aaaaa bbbbbb	Professo r		aaaaa@bbb.ac.jp	Female
Taro KYODAI	KYOTO	Taro	IAE, Kyoto University	Professo r	Key Person in IAE	ccccc@kyoto- u.ac.jp	Male
Total	2	Persons					
The date of receipt							

(1)Application Qualifications: As a general rule, the applicants are required to have already taken the course of research ethics education offered by either his/her affiliated institution or public agencies.

(2)If there is a record of adoption in the past five years, select "Adopted" in each year, and if not, select "Not Applicable"

(3) Regardless of whether the application is new or continued in FY2023, if there is a record of adoption in FY2022, please enter the reference number and research subject.

Please submit the application by uploading the application file to Google Form. (Microsoft Excel format)

Submission Google Form URL: <https://forms.gle/LFUeSeoi39TBNJgR6>
